

***The Story of Hope Chocolates:*** We founded Hope Chocolates with two goals in mind: we wanted to create a business that makes and sells premium chocolate products to a variety of consumers. But primarily, we wanted to build a business that provides Hope to men and women by providing them with employment, encouraging them, building their job skills, and life skills, and disciplining them as they learn to become servant-leaders, realizing God's power to transform hearts following their release from prison.

***Quality Products:*** All of our products are made of 100% imported Belgian chocolate handcrafted to our exacting standards in our own facilities to bring you the finest tasting chocolate you can buy. We challenge you to find better chocolate anywhere.

***Custom Orders:*** Whether you are a non-profit organization with a fundraising project, a retail establishment looking to sell our products, a company that wants to remind your customers that they are valuable to you, or you are having a party with favors, we have a program for you. Whatever your unique needs are, we can work with you to create a customized offering. Just reach out to us at the email address below and we will get right back to you.

***Our Vision:*** At Hope Chocolates, our vision is about transformation through hope. We envision a company where our employees are transformed through employment in an environment where everyone wants to work - where employees are valued, where hard work is expected, and where we succeed as a team. We envision a community that is impacted by our presence, where we contribute to the health and well-being of our community through our love for them and our dedication to them. We envision a city transformed by the power of God at work in us and through us; a city filled with children that are growing and thriving according to God's plan.

## About Hope Chocolates

*We founded Hope Chocolates in 2022 as a way to improve the lives of men and women recently released from incarceration. Starting over is difficult. Finding employment with a prison record is a challenge. And developing marketable skills is tough. We wanted to change that. Join us as we change the lives of people and as we change the city of Camden with God's empowering help. Contact us at [info@HopeChocolates.com](mailto:info@HopeChocolates.com) for more information or if you'd like to volunteer.*
